Rulebook

Registration link available here: https://www.constructcarnival.com
Registration Deadline: May 20, 2024

CADExpert

Rules and Regulations:

- This event welcomes participation from students enrolled in any university within Bangladesh.
- It is an individual participant segment.
- Participants must draw the designated sections and elevation views according to the provided floor plans in Autodesk AutoCAD software.
- Participants need to submit the drawings in a single AutoCAD file (**.dwg format**) along with a PDF file containing the necessary drawings.
- Problems will be provided in papers.
- A submission link will be provided with the problem.
- The contest is restricted to a specific duration (1 hour will be given).
- Students are required to bring their laptops and additional accessories based on their individual needs. Participants are encouraged to bring their own multi-plug for their convenience during the event.
