Registration Deadline: May 20, 2024

Poster Presentation

Rules and Regulations:

- Students enrolled in any university within Bangladesh are eligible to create groups and participate in this event.
- Participants have the option to register either as a team or as individuals. Each team can consist of a maximum of 2 participants.
- Every team must possess a distinct name. In case of individuals, a team name must be given.
- One participant cannot be in more than one team.
- Participants are permitted to print the poster using either PVC, offset, or inkjet sheet.
- Each team will be allocated 5 minutes for presenting their poster and an additional 2 minutes for a question and answer session.
- Any member from a team is permitted to present their poster.

Topics for Poster Presentation

- Structural Engineering/ Construction Materials/ Architecture/ Science & Innovation.

POSTER FEATURES

- The poster needs to have a title.
- Include both the team name and the full names of team members on the poster.
- The poster size should be **"A0".**
- Poster material: PVC banner/Offset sheet/inkjet sheet.
- An Introduction should be added to the poster.
- The poster needs to present a clear and precise explanation of the study's purpose or objective.
- There should be a balance of graphic content (Graphs, Charts, Photographs, etc.) and text content.
- Ensure that the poster's text and graphics are clear and visible, allowing for easy comprehension.

- References should be added at the bottom (if used). Participants can use QR codes (link/plain text) as reference.
